PROPHETS BOX SET

In 2552, the Covenant arrive at Reach, and bombard the UNSC's last major stronghold, turning much of the planet's surface to molten glass. The Master Chief, seemingly one of the last Spartans alive, escapes on the *Pillar of Autumn*. Thus one of the biggest video game franchises is born. Hot on the heels of the huge Halo: Reach release, this box set features the debut and only planned release of the Covenant leaders — The Hierarchs. It is the Hierarchs who declare that humanity is an affront to their gods, and unleash a lengthy genocidal campaign against the technologically inferior race. This box set also includes Master Chief, the iconic SPARTAN-II, to oppose the Prophets!
